LUXURY CAR RENTAL

Rental Information

REQUIRED DOCUMENTS

At handover of the vehicle, the renter and the driver must present an identity card or passport, a driving licence from an EU/EEA state (including Switzerland) that is valid in Germany and entitles the holder to drive the vehicle, and a valid means of payment accepted by us. Photocopies and digital documents are not accepted.

A driving licence not issued in Latin script (Arabic, Japanese, Cyrillic, etc.) must be presented together with an international driving permit. For driving licences from countries that are not party to the international driving-licence conventions, a certified translation is required in addition to the original licence.

Driving licences from non-EU/EEA states are accepted if
a) no visa is entered in the renter's/driver's passport, or
b) the renter/driver holds a visa and, at the time of rental, has not been staying in an EU/EEA state for longer than 6 months. After a stay of more than 6 months in an EU/EEA state, a driving licence from an EU/EEA state must be presented.

MINIMUM AGE AND DRIVING LICENCE

The minimum age depends on the vehicle and is shown in the booking process and in the rental agreement. All drivers must have held their driving licence for at least 3 years.

MEANS OF PAYMENT

We accept Visa and Mastercard credit cards, Maestro/V-PAY cards and cash. The means of payment must be issued in the renter's name and remain valid for at least 30 days after return of the vehicle.

DEPOSIT

A deposit must be provided as security at handover – in cash or by Visa or Mastercard credit or debit card.

The amount of the deposit depends on the rented vehicle. For renters whose main residence is in Germany or Austria, the following applies:

Ferrari, Lamborghini, Porsche GT3: **EUR 5,000**
Audi R8, Mercedes-AMG G63: **EUR 3,500**

For renters whose main residence is in any other country, the deposit equals the excess under the fully comprehensive insurance, which can be found in the booking process. In this case, the deposit must be provided by credit card; cash and debit cards are not accepted for this purpose.

The renter's own car may also be provided as a deposit. The registration certificates Part I & II, all vehicle keys and the vehicle itself must be handed in at our premises in Grünwald. The vehicle must be registered in the renter's name, be no more than 8 years old and be registered in Germany; its value must be at least EUR 20,000 and is determined using the DAT vehicle valuation tool. A security-transfer agreement (Sicherungsübereignung) must be signed.

The deposit applicable to your rental is shown above and on the front page of the rental agreement.
